October 20, 2026

Atty. Ma. Lourdes Romelli D. Juliano
Executive Labor Arbiter
National Labor Relations Commission
Sub-Regional Arbitration Branch No. XII
Albano St., Former Tieza St., Unit 1, Flaviano Building
Dadiangas North, General Santos City

Dear Atty. Juliano:

I am writing to apply for the position of **IT Assistant (Job Order)** at the Regional Arbitration Branch No. XII, with place of assignment at NLRC SRAB XII, General Santos City.

I would like to be transparent that I am currently an undergraduate, a fourth-year Bachelor of Science in Information Technology student at South East Asian Institute of Technology, Inc., with expected graduation in May or June 2027. I understand that the posting asks for an Associate Degree, and I would appreciate your consideration of my application based on my completed coursework and hands-on experience. My remaining academic load is only one subject, held on Sundays, so I am fully available for regular Monday-to-Friday office hours.

In 2026, I completed my on-the-job training at the Department of Science and Technology (DOST) as a Software Developer and Technical Writer. There I maintained and debugged backend services, managed PostgreSQL databases, audited digital logs, and wrote system manuals and standard operating procedures. This work gave me experience in supporting office systems, keeping organized digital records, and documenting technical processes clearly.

I am tech literate and I use online meeting tools such as Zoom and Google Meet. I communicate well in English and Filipino, in writing and in conversation, and I take care to be accurate and to pay attention to detail in my work.

Attached are my resume and the other required documents. I would be glad to discuss my qualifications in an interview.

Respectfully yours,

Teofilo B. Mirasol Jr.
